OTTO E. CURTIS & BRO.,
Jewelers and Dealers in Fine China

NOT SO WITH US.

The average merchant, as we are told, is now trimming his sails and getting ready to endure a season of hard times. It is not so with us. We do not intend that there shall be any dull season for us. We intend to compel purchases by virtue of the extraordinary values which we shall offer. We have in stock a large lot of shoes which we purchased at

52½ CENTS ON THE DOLLAR,

those being from the old FERRISS & LAPHAM stock. These shoes are made by a Rochester manufacturer of Ladies' Fine Shoes who took a medal at the World's Fair. They are high class goods as every shoe dealer knows. We have this manufacturer's goods in ladies' hand turn shoes which are as fine as the goods as you can find. They are in opera heel and toes, opera toes and common sense heels, and common sense toes and heels. They were made to sell at \$4 a pair and are well worth the money. The manufacturer's price on these shoes to the jobbers was very much more than we are going to ask you for them. We intend to sell these high grade goods at

\$1.79 PER PAIR.

We have also some machine sewed shoes for ladies from the same manufacturer, made over the same lasts and of the same pattern as the hand turn shoes which we will sell at the unheard-of low price of

\$1.40 PER PAIR.

These shoes are in all sizes, all widths and all styles. The majority of them, however, are in the narrow widths. Ladies who have narrow feet and have been obliged therefore to purchase high priced shoes since the common grades are not made in narrow widths will find in this great sale especially tempting bargains for them. We are not offering a few pairs only, but over 1500 in all. These goods are strictly high grade and are as good for wear and appearance as money can buy. We want you to come and avail yourselves of this opportunity to buy. We want to clean out all this stock of 1500 pairs in one month if possible, besides all else that we may sell. We want you to buy right now. We want to make our January sales larger than any month in the history of the retail business of this store. BUY NOW.

CAPT. BOGARDUS DEFEATED. Under the New Rules the Old Champion Was Vanquished.

Springfield Journal. The prize shooting match between Capt. A. H. Bogardus, of Lincoln, and G. T. Hall, of Leoma, occurred at 2 o'clock yesterday afternoon at the fair grounds, at Springfield, about 200 people being present. The match was for 100 birds each but after the ninety-second bird had been thrown Captain Bogardus gave up and conceded the match to Mr. Hall. The score stood: Hall, 73; Bogardus, 64. No extraordinary skill was displayed by either marksman although few birds escaped unharmed. The ring was drawn around the trap at a distance of 80 yards. Inside this another circle was drawn, 10 yards from the trap. The birds were thrown at a 15-yard rise and unless they fell between the two lines they were not counted. A number were pulled down just outside the line, while others seemed only to be killed by outside parties. Captain Bogardus' gun was accidentally discharged once, but luckily no one was in the way. After the match local sports formed a pool and killed the remaining birds. Mr. Solomon being the winner.

SHE FELL IN A FAINT. The influence of an unexpected guest upon a Buffalo Girl.

A striking instance of the penalty that sometimes follows a harmless but foolish misrepresentation has lately been afforded to the citizens of Buffalo. A few months ago a young lady from that village took a trip to the Niagara Falls. While at that famous resort she became acquainted with a handsome and wealthy New Yorker. The acquaintance was mutually so agreeable that it extended into a correspondence after the young lady had returned home. When the acquaintance began to grow intimate, the young lady began to feel that she was being deceived. She was not in society with the young man, but she was in society with the young man.
